Re: Insulation or Insulating Material — Reclassification and/or Simplification, including Cancellation of Obsolete Provisions; Current NMFC Items 103050, 103300, 103360, 103430 and 103480 – Docket 2012-2, Subject 8

The *National Motor Freight Classification (NMFC)* is a voluntary standard that provides a comparison of products moving via motor carrier in interstate, intrastate and foreign commerce. Classes are assigned based on an evaluation of the product's transportation characteristics.

On Tuesday, May 1, 2012, the Commodity Classification Standards Board (CCSB) will conduct a public meeting to consider proposals for amending the NMFC, as listed in CCSB Docket 2012-2. Our records indicate that you might have an interest in the above-referenced proposal, which will be considered at the meeting. Accordingly, **we urge you to review the proposal.**

The docket and all facts, data and evidence of record relating to the proposal are available to you without charge at www.nmfta.org. Go to "CCSB" on the navigation bar, click on "Public Docket Files" and then click on "2012-2." The public files are indexed for ease of reference.

The CCSB invites you to submit information relating to the transportation characteristics—density, stowability, handling and liability—of the product(s) involved, or relevant to packaging materials or methods in connection with proposed packaging amendments. The information you furnish should include any underlying studies, supporting data and other facts that you deem pertinent. The information may be mailed, emailed or faxed to us.

Written submissions will be included in the public docket file and posted on our website. The CCSB's decision on the proposal will be based on the information in the public docket file.

Anyone who submits a written statement on a proposal prior to the meeting, or who attends the meeting in connection with a proposal, will be registered as a party of record to that proposal. Parties of record will be sent the disposition of the proposal and will be entitled to seek reconsideration or arbitration should they disagree with that disposition. (One does not have to be a party of record to request reconsideration.)

The meeting will be held at **Harrah's Las Vegas, 3475 Las Vegas Boulevard South, Las Vegas NV 89109**, commencing at **10:00 am**. The telephone number of the hotel is 800-214-9110. If you wish to schedule an appearance at the meeting, if you require further information, or if you do not have Internet access and would like a copy of Docket 2012-2, please contact Colleen Airgood, Classification Assistant, at 703-859-3924 or airgood@nmfta.org.

Very truly yours,

COMMODITY CLASSIFICATION STANDARDS BOARD

Joel L. Ringer, Chairman
